

# Saskatchewan Global Citizens Awards

For the past 17 years we have gathered during International Development Week (at the beginning of February) to present the Saskatchewan Global Citizens awards. We have recognized prominent internationalists alongside young people just beginning their work, and ordinary people whose dedication to global justice is relatively private. The only criterion is Saskatchewan residence and a demonstrated commitment and contribution to global justice and cooperation.

## **Nominations:**

Global Citizens Nomination Forms (below) must be received by December 17. Nominations will be reviewed by the SCIC Global Citizens Selection Committee, and winners will be informed before Christmas. Please note: People sharing a nomination (i.e. a group or married couple) will receive one, collective award. If you want your candidates to receive individual awards, make sure you nominate them individually!

## **My Teacher is a Global Citizen:**

Award-winning teachers and their classes will share a special prize from SCIC (in addition to an award certificate). Students must be prepared to present the nomination, and teachers to receive the award, at Global Citizens Night (in the first week of February). For more information contact SCIC at 757-4669 or [scic@web.ca](mailto:scic@web.ca).
